Refinement

Efficient Workmate. Superior Multitasking.

The new laptop featuring
Intel 12th CPU(i3-1215U/i5-1235U/i7-1255U)
equipped with a cooling fan offers
unrivalled multitasking capabilities.
Say goodbye to slowdowns and get more done in less time.

Stunning Display. Boundless Vision.

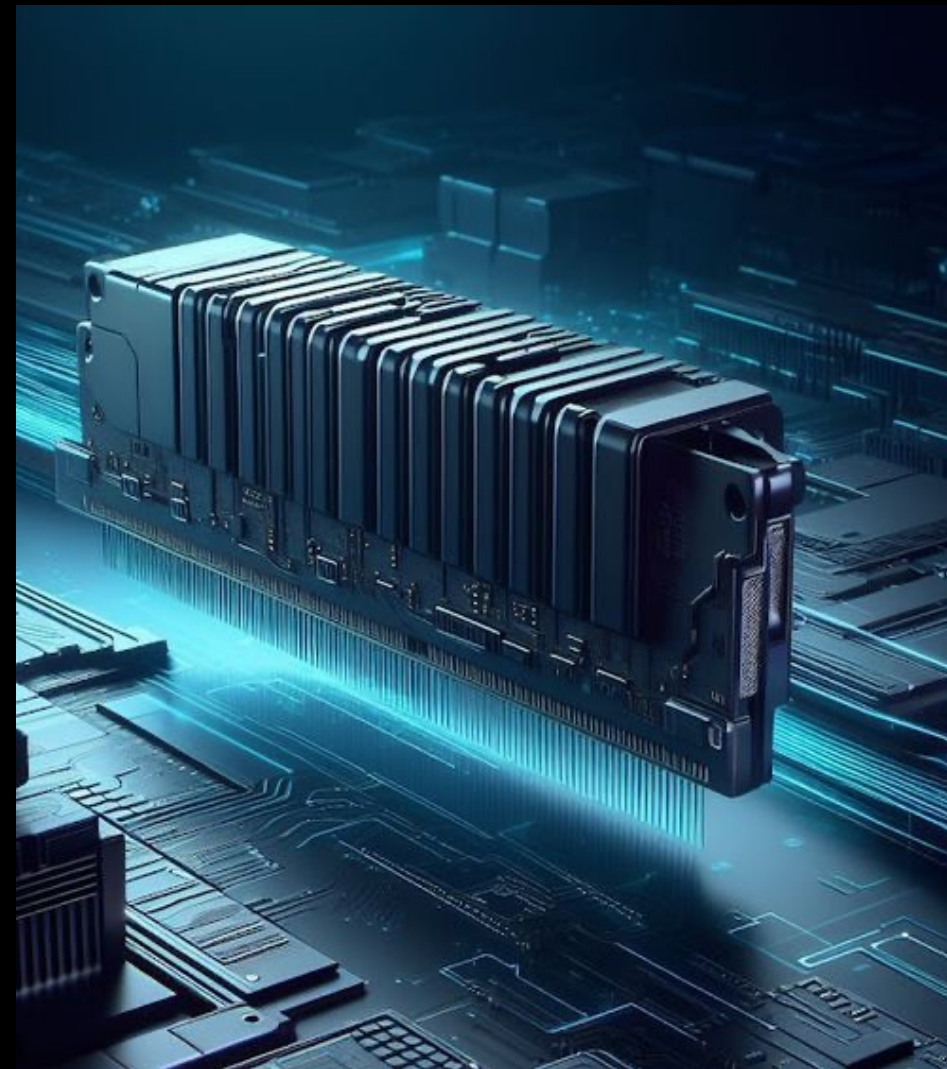

The new laptop features an ultra-narrow bezel golden productivity efficiency screen. Immerse yourself in a world of vivid colors and expansive views.

- **250 nits Maximum Brightness**
- **3.75mm Ultra-narrow Bezel**

Dual SO-DIMM. Expand Your World.

Maximum extendable up to 64GB

The new laptop's dual SO-DIMM feature gives you the advantage of expanding memory freely. Boost your productivity.

*产品图非最终效果，请以实际为准

Built to Last. Reliable Durability

The new laptop offers long-lasting quality and dependable performance. It has passed six military-standard tests including high-temperature test and mechanical shock test. It is durably reliable from the inside to the outside.

Low pressure test in operation, Method 500.6, Procedure I	15.000 feet for 1 hou57.2kPa or 8.3 psia
High Temperature Test, Method 501.7, Procedure II	45°C 2 hours (op)
Maisure Test, Mehod 507.6, Procedure II	95%RH 30°C to 60°C 24hours x10cycles
Mechanical Shock Test, Method 516.8, Procedure I	Table 516.8-1V Terminal peak sawtooth shock pulse 20G/11ms 3+3- in all 3axis for a total of 18 shocks
Low Temperature Test, Method 502.7	-20°C 24H
Temperature shock, Method503.7, Procedure I-C	-25°C to 60°C, Dwell Time: 1hr at each temperature 2hrs/cycle, 3 cycles, total 6hrs

Efficient Typing. Enhanced Productivity.

The new laptop's numeric keypad and backlit keyboard make it the ultimate work companion. Maximize your productivity.
